

K-Love serves our community by offering an alternative to the obnoxious pop hip-hop music heard on most stations by teens today. K-Love is the ONLY station I can TRUST for my 10year old to my 14 year old. I listen to it. My husband listen to it and our friends, listen to it. If we didn't have K-Love I just wouldn't tune into music on FM. There isn't a station like it and no other alternatives. Nothing compares to K-Love and that's why it's so important to stay on. Our communities need K-Love, Teens need it, adults need it and kids need it. I heard a caller call in and say that K-Love helps them to calm down on their way home from work and keeps road rage from bubbling up. That is reason enough right there!Please, for families and communities sake....we want our K-Love!Thanks
